

Minutes of the Annual General Meeting of the Waltham Parish Council held in the Waltham Library on Tuesday 1st May 2018 at 7.00 pm.

Present: Councillors M Archer, Barrett, Church, Gilliatt, Kiddle-Bailey, Moss, Reynard, Shaw, Surtees and Teanby, Ward Councillors Iain Colquhoun and Philip Jackson, 5 members of the public and the Parish Clerk.

01: 05/18 To appoint a Chairman for the year 2018/2019.

The Clerk opened the meeting and asked if there were any nominations for Chairman for the year 2018/2019.

Councillor Martin Archer was proposed and seconded, there were no other nominations. Councillor Archer was elected as Chairman with a majority vote and one abstention. Councillor Archer thanked the Council for their continued support.

02: 05/18 Signing by the Chairman of his/her Declaration of Office.

Councillor Martin Archer signed his Declaration of Office.

03: 05/18 To appoint a Vice Chairman for the year 2018/2019.

Councillor Andrew Moss was proposed and seconded, there were no other nominations. Councillor Moss was unanimously elected as Vice Chairman.

04: 05/18 Declarations of Interest.

- a) To record declarations of interest by any member of the council in respect of the agenda items listed below. Members declaring interests should identify the agenda item and type of interest being declared.

None.

- b) To note dispensations given to any member of the council in respect of the agenda items listed below.

None.

The Chairman reminded members that should an interest become apparent further in the agenda this should be declared at the time.

05: 05/18 To receive any apologies from Members not able to attend the meeting.

Apologies were received from Councillors Conolly, Gordon, Sadler and Smith. Councillor Woodliff would be arriving later in the evening.

06: 05/18 To elect Councillors to serve on the Parish Council committees and working groups, to appoint or confirm representation to outside bodies and to consider any amendments to the highways allocations.

Marian Way, Coltsfoot Drive, Drury Close, Wheatfield Drive, Wray Close, Old Farm Court, Frances Court, Harvest Crescent, Barkworth Court

Councillor C Smith:

Chestnut Road, Chestnut Close, Lytham Drive, Elsham Drive, Sterling Crescent

With the Annual General Meeting section of the meeting being completed the Parish Council continued on with the remaining items on the agenda.

07: 05/18 Open Forum Under Suspension of Standing Order No 21.

RESOLVED: The Parish Council agreed to suspend Standing Order number 21 so that residents were able to speak. Items will be listened to and if appropriate will be taken into consideration under the relevant agenda heading.

The Chairman read out the procedure on the recording of Waltham Parish Council meetings.

A resident wished to make the Parish Council aware of the problems the residents have faced in getting the Local Authority and Health and Safety Executive in taking action over the illegal working practices undertaken by the contractors in the removal of asbestos from a site in Waltham. The neighbours feel that they have been ill informed by the Local Authority and no one is taking responsibility for overseeing the removal of this dangerous substance from the site. The residents felt so strongly that they are going to forward their concerns to the Ombudsman and would like to ask the Parish Council for their support.

A resident wished to ask for the Parish Council's assistance with an ongoing issue relating to a large overgrown tree that is situated on Local Authority land. The resident has made requests over 2 years to have the tree maintained but despite promises of work to date nothing has been done. Also in the same location when it rains there are pools of water that flood into the front garden of the property on Barnoldby Road, the Local Authority have replaced the kerb stone but this does not stop the flooding and it now loose and become a trip hazard.

The Chairman thanked the residents for attending and agreed to take up the residents' concerns under the appropriate heading on the agenda.

The Chairman wished at this point to pay tribute to Ward Councillor Iain Colquhoun for all his sterling work for the village over the last 15 years. Iain has worked alongside Councillor Philip Jackson and is now retiring from Local Government and this Parish Council meeting is

his last official duty. The Parish Council presented him with a framed aerial picture of the village as a token of thanks for this continued support.

The Parish Council meeting was reconvened.

Members discussed a proposal to bring forward the residents' items on the agenda in order for them to be heard in time for the resident to meet their appointment.

RESOLVED: The Parish Council agreed to bring forward items 12: 05/18(iii) and 13:05/18 Highways and Pavements.

12: 05/18 (iii) To receive a response from NELC officers further to a letter sent to the Chief Executive regarding the Parish Councils concerns over removal of an asbestos building in the village and to receive correspondence from concerned residents of further work undertaken.

The Clerk read the response received from NELC and members showed great concern over the lack of enforcement provided from the Health and Safety Executive, Building Control and the Local Authority Planning Team over the removal of asbestos from a site in Waltham. It was felt that after initial concerns were raised by the neighbouring residents a joint visit should have taken place with all parties agreeing to which part they are responsible for overseeing; however this did not happen and the residents and the Parish Council are left wondering who is going to ensure that the remainder of this hazardous material is removed safely and within the guidelines set in law.

RESOLVED: It was agreed to pass on a copy of the response received from NELC to the resident at the meeting and offer the Parish Council's support should they choose to take this matter up with the ombudsman. The Parish council also agreed to write to the Health and Safety Executive and the Local Authority with our concerns over the lack of enforcement provided for the removal of hazardous waste from this site.

13:05/18 Highways and Pavements.

The Parish Council members discussed the resident's appeal for assistance regarding an overgrown tree and flooding issues on Barnoldby Road. It was felt that the flooding should be brought up at the next highways meeting with NELC's officer Debbie Swatman and the photographs should be shown as evidence. Regarding the overgrown tree the members were most upset that the resident has been promised by NELC for 2 years that maintenance work would be carried out on the tree yet no work has been undertaken.

RESOLVED: It was agreed to take the footway flooding issues to the next highways meeting with NELC and to ask NELC tree officer to attend a site visit in order to enquire why the work that was promised on the overgrown tree has not been undertaken.

08: 05/18 To consider and approve the Minutes of the meeting of 3rd April 2018.

RESOLVED: The minutes of the Meeting of 3rd April were considered and approved. The Chairman then signed them as a true record.

09: 05/18 To receive the Police Report for Waltham.

The Clerk read from the police report attached.

10: 05/18 Clerk's Report & Correspondence received since meeting of 3rd April 2018.

- The crowning of the May Queen is being held on Sunday 6th May at 3pm at All Saints Church. This is a Parish Council assisted event which requires representation.

Members discussed the change in service as this year would be the first time that a May King as well as a May Queen was to be appointed. Photographs from the event will be put on our website once the relevant parental approval was received.

- An invitation has been received for a Parish Council member plus guest to attend the Mayor Making Ceremony. This is being held at 7pm on Thursday 17th May at Grimsby Town Hall. Members are to consider attendance.

Any Councillors wishing to attend should contact the Parish Clerk for tickets.

- An email has been received asking if the Parish Council would allow permission to display a banner on behalf of Tollbar Roundabout Action Group at the allotment site. Members are to consider granting permission.

The Parish Council discussed this request. As the banner does not meet the condition of the planning permission granted for this site it had no option but to refuse permission; however the Parish Council wished to make the Action Group aware that it supports its plight in the retention of Tollbar roundabout.

- NELC are holding two drop-in sessions to allow Parish Councillors and Ward members to have a better understanding of the approach to Community Asset Transfers, these are on Monday 21st May 10am -12noon and Thursday 24 May 9.30am to 11.30am both at the Town Hall.

Members were encouraged to attend the event being run by NELC as it would give an insight into how an asset transfer is conducted.

All Saints Church are trying to collect donations of items for the Women's Aid charity and are encouraging local businesses to take part by displaying 'Knicker Bunting' between 10th and 20th May to show they are a collection point for items for Women's Aid. Anyone interested in taking part should contact Reverend Kimberly Bohan at the rectory.

At this point the Chairman had to leave the meeting for personal reasons. Vice Chairman Councillor Andrew Moss took the Chair.

11: 05/18 To receive and confirm progress on the action sheet since publication.

The Clerk has received a response from NELC to say that the gully wagon is currently overloaded with work and is not undertaking the work schedule and instead people need to report a blocked gully on the reporting system and this will then be added to the work sheet.

The Clerk was questioned if the work had been completed on the culverted drains in the village. There had been no update, but the Clerk said that she would make enquiries.

12: 05/18 Planning.

a) Planning matters:

(i) Application DM/0144/18/FUL, 6 Old Farm Court, Waltham, has been approved under delegated powers at NELC and Application DM/0102/18/FUL 10A Golf Course Lane, has been approved at planning committee and is against Parish Councils recommendations.

Members heard the above results.

(ii) To receive a response from Ian King (NELC Planning) regarding the continued status of the Waltham Parish Community Led Plan and consider future actions regarding the document.

The Parish Council discussed the response received and felt that the best way to promote the Waltham Parish Community Led Plan was to make reference to it each time a planning application was considered. Members were most disappointed that only one member of the public was willing to assist in updating the document. It was suggested that the next Chairman of the NELC Planning Committee be invited to a Parish Council meeting to hear the Parish Council's thoughts on its plan.

RESOLVED: It was agreed to invite the next NELC Planning Committee Chairman to a future Waltham Parish Council meeting to hear about the Waltham Parish Community Led Plan.

Councillor Woodliff entered the meeting.

(iv) To discuss amended building colour within conservation area –Cllr Barrett requested item.

Councillor Barrett wished to make the Parish Council aware of the change of colour of the old saddlery shop on the High Street. Members questioned if this would require Conservation Area approval. The Clerk had contacted the conservation officer in anticipation of this

question and has been informed that conservation area approval is not required for the external colour of a building. It would be required if the style of signage or windows was changed or if it was brick exterior changed to cladded etc. The Parish Council could seek a Section 4 Directive for its conservation area. This is a legal process that would have to go through cabinet, but could include future buildings being “heritage” colours. The Parish Council would be expected to write the Section 4 Directive with the assistance of the conservation officer. This would not however make the owners of the purple building change its colour.

It was felt that this requires some further consideration and it was suggested that it is added to a future agenda once further information is collated.

RESOLVED: It was agreed to add a Section 4 Directive as a future agenda item once further information is collated.

b) Planning applications received and to be considered:

1. DM/0252/18/FULA 23 Danesfield Avenue, Waltham

Erect single storey extension to rear.

RESOLVED: Waltham Parish Council recommended approval of this application.

13: 05/18 Highways and Pavements

a) To receive correspondence from a resident over changes to her green waste collection.

The members were informed of a change in collection for a resident who lives on the High Street and that they have been requested by the waste department of NELC to place their green bin on the footpath on the day of collection and not within the curtilage of their doorway, even if this blocks the footpath for pedestrians. Members were disappointed that NELC were not willing to compromise on this and the Parish Council felt that this should be monitored to see how this progressed. Should any complaints be received the Parish Council will inform the complainant that this was not the wish of the resident to place the bin in this location.

b) To discuss the Street litter plan for Waltham –Cllr Reynard requested item.

Cllr Reynard explained that he asked to put this matter on the agenda as he feels that NELC are not fulfilling their statutory obligation in litter collection and that they have a responsibility by law to provide a litter plan. The Clerk said that she has asked NELC for details of their street bin emptying regime and was told that in Waltham the streets are mechanically swept every 4 weeks and the street litter bins are emptied 3 times per week. The Councillors were shown pictures of problem areas within the borough that NELC provided. The Parish Council disputed the information provided by NELC and felt that a formal request should be sent through to NELC asking for a copy of their litter plan with zones for the borough. This should be brought back to a future meeting when received.

RESOLVED: The Parish Council agreed to ask NELC for a copy of its litter plan with zones for the Borough and add this to a future agenda when the information is received.

c) To receive response from NELC highways on Manor Drive questionnaire undertaken and consider updating residents concerned.

NELC have reviewed the residents responses to the Parish Council questionnaire that was sent out regarding the parking and traffic movement in Manor Drive. NELC found from the responses received there were such mixed views that any proposal put forward would be unlikely to gain enough support to progress a scheme in this location. If the situation changes NELC agreed to re-consider it at that time. The Parish Council felt it was important to update the residents on this response received.

RESOLVED: The Parish Council agreed to write and update all the residents of Manor Drive and Leas Close on the response received from NELC.

14: 05/18 To receive any reports from the following working groups:

(a) Parks & Open Spaces

- (i) To consider quotations for re-pointing anvil area, securing splitting walls of rose beds and making good the wall around the circular planter all on village green.

RESOLVED: The Parish Council agreed to the repair work being undertaken on the village green rockery and anvil area at a cost of £450.

- (ii) Consider obtaining costs from blacksmiths on iron work needed for memorial area.

RESOLVED: The Parish Council agreed to obtain costs from blacksmiths on the iron work needed for the War Memorial area. The prices are to be brought back to a future meeting for consideration.

- (iii) Consider quotation for cleaning of War Memorial and surrounding stonework.

Members felt that as it had only been 6 years since the memorial was deep cleaned it would not require the same attention at this time.

RESOLVED: The Parish Council agreed not to have the War Memorial cleaned at this time so to preserve the engraved stonework.

- (iv) To approve sending in forms asking if planning permission is needed for “Tommy to be installed at £30 plus and obtain a scale plan that must accompany the request.

RESOLVED: The Parish Council agreed to enquire if planning permission is needed to install a “Tommy” figure at the War Memorial.

The Clerk informed the Parish Council that there had been no quotations received for the work required at the War Memorial area. The members instructed the Clerk to make enquiries with the builder who is completing the work on the village green to see if he can provide a quotation for the building work required to the War Memorial area. If he is able to provide a quotation this should be added to the next agenda for consideration.

The Parish Council discussed the verge grass cutting and agreed that the standard of service provided by NELC has dramatically decreased from last year. The Parish Council felt that a complaint should be sent to NELC.

RESOLVED: The Parish Council agreed to write to NELC with a complaint about the grass cutting service in the village.

The Parish Council also discussed the tree that has shown signs of demise at the football training ground on Cheapside. The Clerk explained that there is no tree protection order on this tree but would enquire with the tree officer to find out if this tree is being monitored.

The Clerk was also asked to chase up the removal of a section of awarded hedge on Barnoldby Road that was reported to NELC last year. To date there has been no update.

(b) Allotments

- (i) To consider estimates for the hire of a builders skip for both sites.

Councillors Barrett, Shaw, Surtees and Woodliff declared an interest in this agenda item and left the meeting.

The Parish Council considered three quotations for skip hire received.

RESOLVED: It was agreed to hire two skips, one for each site, when required by the working group to remove the debris left on unlet allotments, at a cost of £158.33 plus VAT per skip.

- (ii) In light of no wheeled strimmers available for hire locally, the Parish Council are to consider granting permission for clerk to engage with local supplier of a “try before you buy” machine to test its suitability and consider providing delegated powers to the Clerk to purchase the machine if suitable and within budget.

The Parish Council discussed the try before you buy machine that is available locally and felt that this should be tested at the allotments.

RESOLVED: The Parish Council agreed to try before you buy machine at the allotments. If suitable and within budget the Clerk was devolved the power to purchase a machine for clearing the unlet allotments.

(iii) To consider quotations for notice boards for both sites.

The Parish Council considered the three quotations for the notice board materials. A volunteer has offered to make the up the boards upon supply of the materials.

RESOLVED: The Parish Council agreed to order the materials for the notice boards for both allotments at a total cost of £105.23 plus VAT.

(iv) To consider renting of allotment grassland and Fairway field to farmer as per terms and conditions imposed last year.

RESOLVED: The Parish Council agreed to rent the grassland at Fairway and Station Road allotments under the same terms and conditions as last year.

(c) CCTV

(i) To receive an update on initial site visit attended by new company and consider further action required.

The Parish Council were pleased that the new company are able to service and maintain our CCTV system and approved the initial investigation work undertaken. The Parish Council agreed that further work to investigate the two cameras that are not connecting should be undertaken as soon as possible.

RESOLVED: The Parish Council agreed that the new CCTV maintenance company are to investigate further the two cameras that are not connecting. The Parish Council are aware that this may necessitate the hire of a cherry picker, dependent upon where the faulty connection is located.

(d) Bowling Green.

(i) To hear a verbal update on working group meeting held 26th April at bowling green.

The Clerk gave an overview of the working group meeting held on 26th April at the bowling green. The Parish Council felt that as the questions had been answered over the construction of the pentanque area that this area should now be completed. The material cost of the project has already been secured through a rebate for the site and the labour is to be supplied by the bowls club members.

RESOLVED: The Parish Council agreed for Waltham Park Bowls Club to complete the pentanque area at the bowling green for a cost of materials at £1480.

(e) Youth

(i) To hear a verbal update on meeting held with Lincs Inspire

The Youth Working Group met with Lincs Inspire and PCSO Lesley Parry and discussed the possibility of holding a youth club in the village. All parties were keen on the idea but felt that further investigation was required to ensure that the setting up of a group would be carried out with the children's safety in mind. DBS checks would be required as well as risk assessments and a written procedure on how the group was to be run. This process requires further investigation and the group are visiting other projects in the borough to see how they are set up and run.

(ii) To agree a date for first cut of BMX track.

The Parish Council felt that the first cut of the BMX track and tennis courts should be carried out as soon as possible and instructed the Clerk to contact the contractor.

RESOLVED: The Parish Council agreed to order the first cut of the season for the BMX track and tennis courts.

15: 05/18 Finance Items.

a) To receive a list of Accounts payable up to 1st May 2018 and approve their payment.

Cheques for payment:

inc VAT £ . p

4273	BT Business	Broadband & Phone Dec-Mar	329.89
4274	SSE Electric	Office Jan-Apr	437.07
4275	Ellgia Ltd	Excess weight – cemetery bin	16.13
4276	ERNLLCA	Annual membership	1064.73
4277	Mrs P Allenby	April salary + March O/T	XXXX

RESOLVED: The accounts were approved for payment as per the list above. Salary figures are obscured as they are covered by Data Protection.

b) To receive and consider the Annual Governance Statement 2017/18 (Section 1)
The Parish Council reviewed its Annual Governance Statement.

RESOLVED: The Parish Council approved its Annual Governance Statement as per the audit document.

c) To receive and consider the Accounting Statement 2017/2018 (Section 2)
The Parish Council reviewed its Accounting Statement for 2017/2018.

RESOLVED: The Parish Council approved its Accounting Statement 2017 /2018 as per the audit document.

d) To receive and approve end of year accounts as audited by our internal auditor and agree to send off all documents to the external auditors.
The Parish Council received and approved its End of Year Accounts for 2017/2018.

RESOLVED: The Parish Council received and approved its End of Year Accounts 2017/2018.

e) To consider insurance renewal quotations.
The Parish Council reviewed its insurance requirements and agreed to retain the services of Zurich as it had undertaken a 3 year agreement with them at a cost of £827.96.

RESOLVED: The Parish Council agreed to renew its Parish Council insurance with Zurich at a cost of £827.96

16: 05/18 Fairway Land.

(i) To consider taking this item in committee due to the sensitive nature of information provided.

RESOLVED: The Parish Council agreed to take this matter in committee.

(ii) To receive and consider any quotations received for right of access to land.

RESOLVED: As the Parish Council are still awaiting information it was agreed to add this to the next agenda.

(iii) To receive correspondence from neighbouring property and consider content.

RESOLVED: The Parish Council agreed the need to establish boundary ownership before any negotiations were undertaken with other neighbours.

With there being no further business to discuss the Parish Council came out of committee and ratified the decisions taken and the Chairman closed the meeting at 9.43pm.

Protecting Communities, Targeting Criminals, Making a Difference

Local Community News

Waltham, Brigsley & Ashby-cum-Fenby Update May 2018

Crime

There have been nine crimes reported in the Waltham Ward during April.

During the early hours of 19th April, a motorbike was stolen from the rear garden of an address on Fairway.

A male arrested for other matters was found in possession of a class A drug. He received a caution for this offence.

There have been six reports of assault, and a report of using social media to send threats of violence.

There has been one report of ASB, regarding three males shooting birds in a field off Bradley Road.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area. The number to call for non-emergency issues is 101.

If you feel there are issues in your community that your local Police should be prioritising please inform your local officers or the local Parish Council.

The named officers for Waltham Ward are:

PC 373 Matt Stephenson matthew.stephenson@humberside.pnn.police.uk

PCSO 7602 Lesley Parry lesley.parry@humberside.pnn.police.uk
