How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area. The number to call for non-emergency issues is 101.

If you feel there are issues in your community that your local Police should be prioritising please inform your local officers or the local Parish Council.
