

**Minutes of the Meeting of the Waltham Parish Council held in the Waltham Library on Tuesday 7<sup>th</sup> August 2018 at 7.00 pm.**

**Present:** Councillors M Archer, Barrett, Church, Gordon, Moss, Reynard, Sadler, Shaw, Smith, Surtees and Woodliff, Ward Councillors Nick Pettigrew & Philip Jackson, 4 members of the public and the Parish Clerk.

**01: 08/18        Declarations of Interest.**

- a) To record declarations of interest by any member of the council in respect of the agenda items listed below. Members declaring interests should identify the agenda item and type of interest being declared.

Cllr Surtees declared a Personal and Prejudicial Interest in item 08: 08/18(b) 6 – 44 Skinners Lane as she lives nearby and has been written to by NELC regarding the application and item 10: 08/18 (d) as a family member works for the applicant.

Cllr Church declared a Personal Interest in item 08: 08/18(b) 6 – 44 Skinners Lane as he knows the family

Cllr Moss declared a Personal Interest in item 08: 08/18 (b) 3 – 49 Chestnut Road as he knows the family

Cllr Archer declared a Personal and Prejudicial Interest in item 08: 08/18(b) 6 – 44 Skinners Lane as he lives nearby and has been written to by NELC regarding the application. Cllr Archer also declared a Personal Interest in items 08: 08/18 (b) 5, 7, & 8 as he feels it is not appropriate for him to make comment or consider any large scale developments within the village as land he formerly owned is under application.

- b) To note dispensations given to any member of the council in respect of the agenda items listed below.

None.

**02: 08/18        To receive any apologies from Members not able to attend the meeting.**

Apologies were received from Councillors Conolly, Gilliatt, Kiddle-Bailey and Teanby.

**03: 08/18        Open Forum Under Suspension of Standing Order No 21.**

**RESOLVED: The Parish Council agreed to suspend Standing Order number 21 so that residents were able to speak. Items will be listened to and if appropriate will be taken into consideration under the relevant agenda heading.**

*The Chairman read out the procedure on the recording of Waltham Parish Council meetings.*

A resident made comments over the appalling condition of the open space at Mount Pleasant. He visited the area with his granddaughter and expressed concern over the amount of rubbish and debris left around the play areas. The bins were overflowing and there was a fire that had been set inside the wooded area, which he had to put out. The resident asked who was responsible for the area. The Parish Council confirmed that this area is under the ownership and responsibility of North East Lincolnshire Council. The resident then offered to organise a tidy up day for the site providing this would not be contravening any rules by the owners. The Parish Council felt sure that NELC would not object and explained that NELC may even offer to provide waste bags, litter picker tools and collection of the waste.

A resident asked for the clerk to read out a statement. It was with regard to concerns over a new cattery business being started from a domestic house in the village. A group of residents have got together and recorded their complaint with the Local Authority. As they had not received a successful response they were seeking the advice and assistance of the Parish Council. The Chairman explained that this matter was discussed at the last meeting and the Ward Councillors have also been investigating this report and the residents' concerns will be debated later in the agenda.

A developer had attended to inform the Parish Council about a meeting he had with the highways department at NELC who have informed him that it will be impossible for him to deliver on his planned roundabout for his development off Cheapside because of the agricultural track opposite. He has been informed that agricultural vehicles such as combines and large lorries will not be able to get around the roundabout because of the triangle spacers and splay required for moving large vehicles.

The highways department has suggested to the developer that a single gate is used to slow traffic, similar to those used in Barnoldby le Beck as rumble strips and speed bumps will make too much noise for the nearby residents. The developer explained that no scheme has yet been put forward to amend the already approved plans but he wanted the Parish Council to be made aware of this change in thought by NELC.

A resident questioned if Well Lane belonged to the Parish Council as it does not appear on the website or on any Councillors' walking list and she felt it was somewhat overgrown in places and required attention. The Clerk confirmed that Well Lane (a small cut through between Kirkgate and New Road) is under the Parish Council ownership.

The chairman thanked the residents for attending and their issues would be debated under the appropriate heading on the agenda.

The meeting was reconvened.

**04: 08/18 To consider and approve the minutes of the extra meeting of 21<sup>st</sup> June and the minutes of the meeting of 3<sup>rd</sup> July 2018.**

**RESOLVED: The minutes of the extra meeting of 21<sup>st</sup> June were considered and approved. The minutes of the meeting of 3<sup>rd</sup> July were considered and approved. The Chairman then signed both sets as a true record.**

**05: 08/18 To receive the Police Report for Waltham.**

The Parish Council members had all received and read a copy of the police report attached. There seems to be a spike occurring in the crime figures and a member questioned if this was due to the school holidays. The Clerk was asked to inform the PCSO about the fire setting in the wooded area at Mount Pleasant when she next saw her and ask NELC to arrange to have the debris cleared away. The evidence remaining from school books set alight should also be forwarded to the police.

**06: 08/18 Clerk's Report & Correspondence received since meeting of 3<sup>rd</sup> July 2018.**

Cllr Teanby has written asking that praise be given to our contractor and volunteers who have kept the tubs flowering brightly during the very dry weather we have been experiencing.

The Parish Council agreed that a lot of hard work has taken place in order for the tubs and baskets to look so good during the dry weather.

**RESOLVED: The Clerk was asked to email the contactor thanking him for his efforts.**

The Waltham Windmill Preservation Society has written to advise that the mailshot that they undertook with the grant provided has increased membership by 30%. The organisation is commissioning an information board with a list of the sponsors and has asked if the Parish Council would be agreeable for them to include their name on the board. The Chairman said that the Parish Council's name had already been included.

The Parish Council discussed this matter and felt that it should be made clear that it was a Section 137 Grant that the Parish Council awarded, not a regular sponsorship of this organisation.

**RESOLVED: The Parish Council agreed to their name being added to the board provided that the Section 137 Grant wording is included. The Clerk is to write to the Waltham Windmill Preservation Society.**

Would the Parish Council like to put forward a submission for the Star Council Awards. Entries must be submitted by 17<sup>th</sup> August. The five categories are: Young Councillor of the Year, Clerk of the Year, Councillor of the Year, Outstanding Project of the Year and Council of the Year?

**RESOLVED: No projects were put forward for this year's entry.**

ERNLLCA have written to ask if the Parish Council would like to submit any resolutions for consideration at the Annual General Meeting. Submissions must be of national or regional significance and call for a response from Government and be submitted by 14<sup>th</sup> August.

**RESOLVED: No matters were submitted for consideration at the AGM.**

NELC are reviewing their Winter Service Policy and as a key stakeholder we can submit comments on the review by 17<sup>th</sup> September.

**RESOLVED The Parish Council considered the winter service review and there were no amendments put forward.**

ERNLLCA have asked if the Parish Council would like to put forward any questions to the Humberside Police Traffic Management Officer at the Annual Conference.

**RESOLVED: The Parish Council wished to question what traffic calming measures are agreeable to officers to the Humberside Police Traffic Management Officer at the ERNLLCA Annual Conference.**

The Clerk had received an email from a resident regarding the late noise being heard from the miniature railway.

**RESOLVED: It was agreed; with the permission of the reporter, that this matter be forwarded to the Waltham Windmill Trust as the Parish Council have no jurisdiction over this land.**

The Parish Council were informed that a remembrance walk is taking place on Saturday 18<sup>th</sup> August from Scartho to Waltham via New Waltham and Holton le Clay to remember those who lost their lives in World War 1. The Clerk has informed the organiser that there may be some work ongoing at the Cenotaph in Waltham, however the memorial itself will be accessible.

The Clerk has received a letter and photograph from a resident. The Chairman declared an interest in this matter and left the room. Cllr Surtees having seen the photo also declared an interest and left the room. Cllr Moss in the Chair.

The letter reports having been sent in jest; however it was sent with contact details to report two vehicles parking on the verge in Skinners Lane. The Parish Council said that they do not have any powers to enforce this matter and it was suggested that this be forwarded on to NELC.

**RESOLVED: It was agreed; with the permission of the reporter, that this matter is forwarded to NELC as the Parish Council have no jurisdiction to enforce this matter.**

Cllr Shaw asked that her abstention from voting on this matter be noted.

Cllrs Archer and Surtees returned to the meeting. Cllr Archer was asked to re-take the Chair.

**07: 08/18 To receive and confirm progress on the action sheet since publication.**

The Clerk updated the Parish Council on the action sheet matters that are not included further on this agenda.

The members discussed the additional security measures that are needed to allow the police to sign on at the Parish Office.

**RESOLVED: It was agreed to obtain costs on installing the additional security items and bring this back to a future meeting.**

Funding applications have been submitted for the upgrade of the young youth equipment at Neville Turner Way and we wait to hear the outcome.

The Portfolio Holder has written back to commend our support and eagerness with regard to our interest in the litter bin review. At this time operatives are logging levels of waste found in the bins in order to better inform the review and this will be an ongoing process for months to come. It is suggested that we liaise with our Ward Councillors on this matter.

The Parish Council are still chasing for a meeting with all parties regarding the Remembrance Sunday parade.

**08: 08/18 Planning.**

*a) Planning matters:*

(i) Application DM/0405/18/OUT, 18 Brigsley Road, Waltham, has been refused under delegated powers at NELC.

The Parish Council noted the decision made by the Planning officers.

(ii) Application DM/0842/17/FUL Land at Station Road, to erect 54 dwellings has been sent to appeal by the applicant. The Parish Council has until 15<sup>th</sup> August to submit any additional comments to this appeal.

Having read the comments made regarding this application the Parish Council did not feel that any further comments were required to be submitted.

(iii) Planning Enforcement has looked into the report of a new cattery business being run from a domestic property in the village and found that no breach of planning law has taken place.

The Parish Council members discussed the statement made by the resident at the beginning of the meeting and the Councillors and Ward Councillors were surprised by the response given by the planning department at NELC and suggested that the householders objecting in this matter seek advice on how to enforce a covenant and check planning law regarding opening a cattery.

**RESOLVED: The Parish Council are to advise the residents to seek professional advice over enforcing a covenant and research regarding planning law and opening a cattery.**

Cllr Sadler abstained from voting on this item.

(iv) To receive an update on removal of awarded hedge on Barnoldby Road and consider further implications.

The Clerk has obtained details on the original application for this site and there is no protection given to the awarded hedge. It was suggested that as a member of CPRE they may be able to offer some advice on this matter.

**RESOLVED: The Parish Council agreed to write to Campaign to Protect Rural England and seek their advice over the protection of awarded hedges.**

(v) To discuss additional information received on Section 4 Directive and consider whether to move forward with this proposal.

The Parish Council carefully considered the information received on Section 4 Directives and felt that the application forms should be applied for and brought to the next Parish Council meeting.

**RESOLVED: The Clerk was asked to apply for the Section 4 Directive forms and add this as an agenda item at the next meeting.**

*b) Planning applications received and to be considered:*

**1. DM/0514/18/FUL 17 Church Lane, Waltham**

Erect single storey and two storey extension to the rear including dormer extension.

**RESOLVED: Waltham Parish Council recommended approval of this application.**

**2. DM/0586/18/FUL 15 Coltsfoot Drive, Waltham**

Retrospective application for the conversion of roof space to provide second floor, installation of dormer to the rear an installation of roof lights to the front.

**RESOLVED: Waltham Parish Council recommended refusal of this application. It was considered that adding a third floor with large dormer to the rear to this dwelling would be overbearing for the neighbouring properties. Many of the properties around this application site are bungalows, dormer bungalows or two storey houses. There appears to be no three storey developments currently in this location. Should the developer have carried out the internal alterations and used only roof lights both sides, rather than adding the third floor dormer into the roof at the rear, this would have minimised the impact on the neighbouring properties.**

**There is no obscure glazing to the windows at the rear to restrict overlooking and it was felt that there would be a significant loss of privacy and daylight restrictions for the neighbours, therefore Waltham Parish Council recommended refusal of this application.**

**3. DM/0488/18/FUL 49 Chestnut Road, Waltham**

Convert roof space to provide additional floor, installation of dormer to side to include roof lift and installation of roof light.

Councillor Moss having declared an interest in this matter left the room.

**RESOLVED: Waltham Parish Council recommended refusal of this amended application. Only one window has been changed to obscure glazing and it was felt that the dormer due to its size running the whole length of the roof is still overbearing for the neighbouring properties and therefore it is still recommended by the Parish Council that this application is refused.**

Councillor Moss returned to the meeting.

**4. DM/0602/18/FUL 25 Wheatfield Drive, Waltham**

Erect single storey extension, install bay window to front with various alterations.

**RESOLVED: Waltham Parish Council recommended approval of this application.**

**5. DM/0547/18/FUL Land off Cheapside, Waltham**

Variation of conditions 11 (Open Space) and 13 (Ecological Enhancement) of application DM/1130/14/FUL to allow the development of plots 22,23,24,28,29,30 & 31 without the need to have an agreed open space management and biodiversity enhancements and to vary condition 9 in accordance with site compound and wheel wash details.

Councillor Archer having declared an interest in this matter left the room. Councillor Moss in the Chair.

**RESOLVED: The Parish Council agreed to Suspend Standing Orders in order to ask the applicant questions.** The meeting was then reconvened.

**RESOLVED: Waltham Parish Council recommended approval of this application.**

#### **6. DM/0530/18/FUL 44 Skinners Lane, Waltham**

Demolition of existing dwelling and erect new two storey dwelling and annex

Councillors Surtees having declared an interest in this matter also left the room. Cllr Archer remained out of the room with Councillor Moss still in the Chair.

**RESOLVED: Waltham Parish Council recommended refusal of this application. It was felt that the size and scale of the proposed house is over intensive for the size of plot and particularly the increased roof height would have a significant impact on the neighbouring properties. Whilst it was understood the reasoning behind the need for the annex and connection to it via a utility room, it was felt that the existing awarded hedge should be protected at all times as well as being maintained at its current height.**

Cllr Surtees returned to the meeting, Councillor Archer remained out of the room.

#### **7. DM/0285/18/REM Land at Grimsby Road, Waltham**

Reserved matters application following DM/0579/16/OUT (outline application for the erection of 14 dwellings with access and drainage to be considered) Full layout of site, house types, boundary treatments and landscaping to be considered.

**RESOLVED: Waltham Parish Council were disappointed to note that that not all the properties facing the highway are to replicate those opposite and there are two storey developments facing existing bungalows. It was felt that in order to protect the privacy of the existing residents the Parish Council must recommend refusal of this reserved matters application. The Parish Council also noted that there is also no area for the collection of the dustbins should the local authority deem this to be a hard to reach area requiring central collection points.**

#### **8. DM/0521/18/OUT Land at Grimsby Road, Waltham**

Outline application for a residential development of 16 number dwellings with all matters reserved (Phase 3). Councillor Archer remained out of the room.

**RESOLVED: Waltham Parish Council recommended refusal of this application.**

**The Parish Council were concerned that this is a further application (phase 3) is yet another erosion into the identified strategic gap in this area of the village to a point where should there be a western relief road required for this area there will be no space left to accommodate for this without having any strategic gap at all between the settlements of Waltham and Scartho as this area is already a pinch point.**

**This land was not identified in the adopted Local Plan or within the Waltham Parish Community Led Plan as an area suitable for development.**

**It should be noted that the front hedge to this development is an Awarded Hedge as per the parish award for Waltham and the parish council feel that as such it should be documented that this will be retained and a condition that it is maintained to a minimum height of 3 meters, for the benefit of giving the impression of the existing rural entrance to the village and minimising the visual impact on existing developments opposite the site.**

**The proposal mentions a contribution towards education and shows a footpath on the outskirts of the development that leads out onto a very dangerous point on Grimsby Road (bottom of Peppers Hill), where it would be very difficult to judge the speed of traffic coming over the hill in this location. What this application fails to do is make any contribution towards the upgrade or improvement to the village infrastructure. There is a listed requirement for a cycle path extension as well as additional village parking and toddler play equipment improvements none of which are have been contributed by any of the three phased developments.**

**There used to be dyke running across this land which was has been filled in to make the farming of the land easier, however the Parish Council questioned if this act will affect surface water drainage from this site.**

**The Parish Council feel that in this instance there would be a significant adverse impact to the character and appearance of the village and would be in conflict with Policies GEN2 and NH9 of the development plan and we feel that it would be a significant conflict as these additional 16 homes (plus the possibility of even more development following) will be over and above the amount outlined in the newly adopted Local Plan for the area and unless other pieces of land are removed from the plan it will be an over intensification of the infrastructure of this village.**

**Waltham Parish Council therefore recommended refusal on this application.**

Councillor Moss remained in the Chair.

**09: 08/18 Highways and Pavements**

- a) NELC have written explaining that following the recent clean-up of culverted sections of Buck Beck additional work has been identified which is going to cost an additional £15,700. NELC drainage team have asked if the Parish Council would consider if they are able to make a contribution towards this additional cost.

The Parish Council considered the request made by the NELC drainage team, however having not budgeted for request and it was suggested that it could be considered as double rating the request for funding was refused.

**RESOLVED: The Parish Council refused the request for funding from the North East Lincolnshire Council drainage team.**

- b) To discuss parking in the village – Cllr Barrett requested item.

Cllr Barrett explained that several residents had complained to him over the lack of parking in the village. He brought this matter to the Parish Council in a hope that members would be able to come up with some ideas to improve or increase the parking facilities in the village. This created much discussion and the members felt that the public should be allowed to have an input in this discussion and suggested an appeal on social media for residents to make suggestions on how to improve parking in the village.

**RESOLVED: It was agreed to put out an appeal on social media for residents to input into a discussion on parking facilities within the village and to see if they have any suggestions on how to improve the current parking.**

Cllr Archer was located and returned to the room. Cllr Moss remained in the Chair for the remainder of the meeting.

Cllr Reynard wishes to report on his walk through his allocated streets he noted that the road sweeper was required to attend on the corner of Church Lane and Manor Drive as the build-up of leaves and debris is now impacting on the gullies. Cllr Reynard stated he had not seen the road sweeper in the village for some time. The weeds growing in the gutters was also discussed.

**RESOLVED: The Clerk was asked to request the road sweeper to visit the village and in particularly the corner of Manor Drive, Church Lane and High Street.**

Cllr Smith asked that the overgrown hedge which is overhanging the footpath close to The Limes is cut back. Councillors discussed the location and possible ownership of the hedge and agreed it would be better to check on whose land the hedge is on before sending out advisory letters.

**10: 08/18 To receive any reports from the following working groups:**

**(a) Parks & Open Spaces**

- (i) To receive update on War Memorial area.

The Clerk reported that work has started on the upgrade to the War Memorial area. This is being closely monitored by the Chairman and Parks and Open Spaces Chairman.

The Parish Council discussed the comments in the Open Forum section regarding Well Lane and the working group are to walk the route and report back to the Clerk any action required to make the lane accessible.

**RESOLVED: The working group are to walk Well Lane and report any action required to the Clerk to make the lane accessible.**

**(b) CCTV – Update on maintenance and to consider any actions required.**

The Clerk informed the Parish Council that there has still been no re-visit by the CCTV maintenance company despite emails and reminders. She is informed that staff are away and off sick and it will be at least 3 weeks before they are able to attend. The Parish Council were concerned at this and instructed the clerk to investigate alternative service providers.

**RESOLVED: The Parish Council instructed the Clerk to see alternative CCTV maintenance providers.**

**(c) Gravel Pit Allotments** – To hear about the report of an overhanging tree requiring work adjacent to the allotment.

Members of the working group have been to assess the tree reported. Upon display of our original land registry document when the land was gifted to the village it was clear that the Parish Council do not own the land where the tree is located. It was suggested that a copy of this drawing be given to the homeowner in order to assist in their investigations.

**RESOLVED: The Clerk was asked to give the homeowner a copy of the drawing that shows the tree is not located on Parish land.**

The working group noted that the ditch at the side of the allotments was severely overgrown and required some attention by Anglian Water to clear out debris from the grilled area.

**RESOLVED: The Clerk was asked to contact Anglian Water to request that they clean out the ditch at the side of the allotments, including the grilled area that leads to Home Paddock.**

**(d) Bowling Green** – To consider request from a resident to hire Pavilion for baby and toddler classes.

Cllr Surtees left the room having declared an interest in this matter.

The Parish Council members were concerned that the facility would not be appropriate to hold baby and toddler classes as there is no dedicated toilet or baby changing facilities and felt that more information and possibly a site visit should take place first.

**RESOLVED: The Clerk is to contact the hirer to discuss requirements and arrange a site meeting to view the pavilion. The request is then to come back to the Parish Council for consideration.**

Cllr Surtees returned to the meeting.

**11: 08/18 To discuss Remembrance Sunday Parade.**

The Clerk explained that she is having difficulty getting all parties together and Councillor Woodliff offered his assistance in this matter.

Cllr Surtees suggested that a Remembrance Tea Party is held for the senior residents of the village. It was felt this should be added to the next agenda.

**RESOLVED: It was agreed to add a Remembrance Tea Party to the next agenda.**

**12: 08/18 Parish Office**

- a) To consider replacement pads and charging pack for Defibrillator at £90 plus VAT and to discuss recent deployment issues.

The Parish Council discussed that the current charging pack and pads have been in the machine for three years and required replacement. It was agreed that they needed to be replaced as soon as possible.

Councillors discussed a recent incident where the East Midland Ambulance Service gave the wrong code to a responder which led to a delay in obtaining our equipment. This has now been rectified with EMAS, however it was felt that the letter could be made clearer on the keypad by placing stick on numbers and letters over the panel.

**RESOLVED: The Parish Council agreed to the purchase of a replacement defibrillator pack at £90 plus VAT and to purchase some stick on letters to put over the panel for ease of reading.**

**13: 08/18 Finance Items.**

- a) To receive a list of Accounts payable up to 7<sup>th</sup> August 2018 and approve their payment.

Chq No	To	Details `	£
004320	Rialtas Business	Account Package set up & annual cost	902.88
004321	Mrs P Allenby	July Salary	XXXX
004322	Mrs L Leach	July Salary	XXXX
004323	HMRC	Tax & NI	XXXX
004324	SSE	Parish office electric Apr-Jul	147.67
004325	H Cope & Sons	Hard core for Petanque	153.00
004326	R & R Johnson	Grave digging fees	660.00
004327	Office Friends	Printer drum & new ink	233.66
004328	Glendale Ltd	Maintenance - June	469.00

004329	Waltham Pk Bowls	Maintenance of bowling green	500.00
004330	Travis Perkins	Timber for Petanque	313.67
004331	Petty Cash	Petty Cash	100.00

**RESOLVED: The accounts were approved for payment as per the list above. Salary figures are obscured as they are covered by Data Protection.**

**14: 08/18 Fairway Land.**

- a) To consider taking the next two items in committee due to the sensitive nature of information provided.

**RESOLVED: The Parish Council agreed to take items 14: 08/18 & 15: 08/18 in committee.**

- b) To receive update on Fairway Land.

The Councillors were updated on the progress on access to Fairway land and advice received from the solicitor.

**RESOLVED: It was agreed to follow the solicitor's advice and obtain a land registry compliance plan.**

*With the time being 10pm the Parish Council agreed to Suspend Standing Order number 20 to allow the remainder of the items on the agenda to be considered*

**15: 08/18 Burial Board.**

- a) To give consideration to a burial request.

**RESOLVED: The Clerk is to bring forward a written appeal as and when received.**

With there being no further business to discuss the Parish Council came out of committee and ratified the decisions taken and Councillor Moss (acting Chairman) closed the meeting at 10.02pm

Protecting Communities, Targeting Criminals, Making a Difference

# Local Community News

## Waltham, Brigsley & Ashby-cum-Fenby Update August 2018

### Crime

There have been thirteen crimes reported in the Waltham Ward during July.

On 3<sup>rd</sup> July criminal damage was caused to a car on Harvest Crescent when all four tyres were slashed and bodywork damaged on a car outside the home address.

On 12<sup>th</sup> July a wing mirror was smashed off a car parked on Fairway.

Sometime during July, a lock on a storage unit at Cheapside was superglued.

Two cycles have been stolen, one from the Tea Gardens, the other from the outside the Waltham Kebab House.

Just after midnight of 22<sup>nd</sup> July a male was arrested on the British Legion Carpark after being in possession of a bladed article in a public place.

Other crime include two shop thefts and five assaults,

There have been two reports of ASB. Noisy parties at an address on Gleneagles, youths causing issues at the rear of Orchard Court.

### How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area. The number to call for non-emergency issues is 101.

If you feel there are issues in your community that your local Police should be prioritising please inform your local officers or the local Parish Council.

The named officers for Waltham Ward are:

PC 373 Matt Stephenson [matthew.stephenson@humberside.pnn.police.uk](mailto:matthew.stephenson@humberside.pnn.police.uk)

PCSO 7602 Lesley Parry [lesley.parry@humberside.pnn.police.uk](mailto:lesley.parry@humberside.pnn.police.uk)
