

Weekly Highways Update - w/c 19 November 2018

Please see below summary of key highways activities and projects to be aware of over the next week.

Completed works

Bus Stop Improvement Works – Work to upgrade an additional 2 bus stands on Kings Road, Cleethorpes are now complete. This work completes the 2018/19 bus stop upgrade programme with a total of 18 bus stands upgraded.

Other news

Pothole Funding Allocation

North East Lincolnshire Council has been allocated £885,000 as its share of a central government £42m fund to support the repair of potholes, to keep local bridges and structures open and safe, and to aid other minor highway works that may be required to maintain the structural integrity of the highway network.

Transport Team

A wedding day wish was granted to two long service users of NELC's Phone 'n' Ride bus service. Go Plant Fleet Services, the council's Phone 'n' Ride bus operator, were happy to provide the transport to the happy couple's wedding day, which took place on Friday 26th October at Cleethorpes Town Hall.

Christmas lights switch on and Christmas tree

Freeman Street, St Peters Avenue and Sea View Street – All the Christmas illuminations have now been installed on these roads following the recent night time road closures. The Christmas trees arrived early this week for Grimsby Town Centre & St Peters Avenue. The lights and baubles will be installed over the next few days in readiness for the switch on events next Thursday 22nd November (Grimsby Town Centre) and Friday 23rd November (St Peters Avenue). All the festoon features and lights will be subjected to a rigorous electrical testing regime, prior to switch on.

Freeman Street Grimsby

Bull Ring, Grimsby

Major utility works
